“Making the First Move with God” - How do I begin?

By Apostle Lawrence Khong

Scripture Reading: Joshua 3

- 1) Begin by Surrendering your Life to God – Overcoming Fear (Joshua 3:5)
- 2) Begin by Seeking God’s Glory (following behind the Ark of the Lord — the presence and glory of God) - Overcoming Shame!
- 3) Begin by Stepping Out in Faith - Overcoming Inertia! (The miracle happened when the feet entered the water)

Discussion Questions:

- 1) Share with each other on why you have a personal tendency to procrastinate in making your first move with God.
- 2) What are some of the steps that you can plan to take in being part of Project X, ie. helping the cell multiply and leading a cell group etc.
- 3) Commit yourself to bring at least one friend to church in the next four weeks and set this as a goal for the cell group in this area.
