While the shepherds watch
their flock by night
They see a bright new shining star
then they hear a choir sing
the music seemed to come from far
(repeat chorus)

Now Joseph and his wife Mary
Come to Bethlehem that night
They find no place to born the child

Here we are as in olden days
happy golden days of yore
Faithful friends who are dear to us
gather near to us once more

Through the years we all
will be together
If the fates allow
Hang a shining star upon the highest
bough
and have yourself a merry little
Christmas now

The hopes and fears of all the years
Are met in Thee tonight

For Christ is born of Mary
And gathered all above
While mortals sleep
The angels keep their watch
Of wond'ring love
O morning stars together
Proclaim the holy birth
And praises sing to God the King
And peace to men on earth

How silently how silently
The wondrous gift is given
So God imparts to human hearts
The blessings of His heaven
No ear may hear His coming
But in this world of sin
Where meek souls will receive Him still
The dear Christ enters in

O holy Child of Bethlehem
Descend to us we pray
Cast out our sin and enter in
Be born in us today
We hear the Christmas angels
The great glad tidings tell
