

L IS FOR LOST

RESCUE MISSION

You are going on a rescue mission! Your mummy and daddy will hide one of your favorite toys and you are going to use a torch to look for them. Together as a family, talk about how God knows exactly where the toys were, and how He always knows where we are too.

COUNTING COINS

Mummy and daddy, show some coins to your child. You can count them, compare how they are alike and different, and discuss what you could use the coins for. Share about how God knows us by name, and knows whenever one of us is missing.

PRAYING TO BE CLOSE TO JESUS

Mummy and daddy, take this opportunity to share about God's love for us, and His rescue plan to bring us close to Him by sending His Son Jesus. Invite your child to respond to the gospel by praying to follow Jesus. You can use this video to share the gospel - <https://tinyurl.com/GKidzgospelstory>
