ABOUT FCBC

Faith shows the reality of what we hope for; it is the evidence of things we cannot see.

HEBREWS 11:1 (NLT)

Established in 1986, Faith Community Baptist Church (FCBC) is committed to worshipping and serving God, and spreading the gospel of Jesus Christ in Singapore and beyond. Over the years, FCBC has reached out to the multitudes with services for English, Chinese, Hokkien, Youth, Children, and Filipino congregants. The church has also pioneered ministries to care for specific groups of people, including the deaf and persons with physical disabilities.

In the same year of the church's founding, FCBC volunteers started pioneering programmes for children. This work led to the founding of TOUCH Community Services (TOUCH), which is now an independent charity organisation. While independent, TOUCH remains affiliated with FCBC, reflecting our shared mission to bless society.

On the global front, TOUCH International (TI) provides disaster relief and humanitarian support to international communities in Asia. TI started as the global extension of TOUCH's work to transform communities, but has since become a distinct organisation of FCBC.

In the arts and entertainment sector, FCBC champions the promotion of positive values and messages of hope through two direct subsidiaries – Gateway Entertainment (GE), a theatrical production company, and arts venue Gateway Theatre (GT). Separately, Gateway Arts (GA) is an independent Singapore registered charity. Focusing on addressing issues relevant to today's youth, GA is committed to staging performances based on contemporary and meaningful themes featuring young artists.

MESSAGE BY **APOSTLE LAWRENCE KHONG**

CHAIRMAN & APOSTOLIC OVERSEER

Church, the season of fresh winds is truly upon us.

As I reflect on the growth of FCBC, Gateway, and Touch International (TI) in 2025, it is heartening to see how we have approached our work and ministry with a **fresh heart and sense of purpose**.

When Senior Pastor Daniel declared the season of fresh winds, he said that the season would be defined by a desire for God's move, and a spirit that dares to move with God.

I am thankful for how the Lord has led FCBC, Gateway, and TI to grow in these areas. It has been a busy 2025. FCBC and TI rode the momentum of the previous year and began sending mission teams across Asia to pioneer new work and support existing ones.

Meanwhile, Gateway doubled down on delivering meaningful content for their core audiences, forged partnerships, and developed material to reach new ones. I am especially excited about the season ahead for Gateway Entertainment (GE), which celebrated its 25th anniversary in 2025.

GE was started primarily to produce magical theatre. Today, GE is boldly moving into new formats, like live events and film, with positive and inspiring stories. I am proud of everyone at GE who has contributed towards the birth of this new season.

We have much to be hopeful for in the year ahead. The work may be immense, but **God is with us**. It is my prayer that FCBC, Gateway, and TI will continue to obey His call and arise to meet the moment when new realities are created.

APOSTLE LAWRENCE KHONG

MESSAGE BY **REVERENDDANIEL KHONG**

SENIOR PASTOR

2025 marked the beginning of a season of fresh winds that God is leading us into.

A thought that has stayed with me comes from theologian G. Campbell Morgan: ***"We cannot organise revival, but we can set our sails to catch the wind from Heaven when God chooses to blow upon His people once again."***

I believe God is preparing us for the new things He wants to do in us and through us as a church. To be honest, I don't fully know what to expect. But I do know this: our God is the One who makes all things new. And because of that, our part is to ready ourselves for His move. The question is: how do we do that?

First, we must be willing to be moved. This means laying hold of God so deeply that our spirits are stirred into action.

Second, we must dare to move. We cannot allow fear to hold us back. Instead, we rise in strength and courage to take steps of faith.

Finally, we must not hesitate to move. We need to recognise that this is the season and this is the time. So let's not wait any longer, or as we like to say in Singapore, *mai tu liao*.

As you go through the updates in this report, you'll see some of the ways we've been preparing ourselves for God's move in this season of fresh winds. But more than a record of our efforts, these pages are testimonies of God's faithfulness to this spiritual family.

May you be blessed and encouraged.

WITH LOVE,
DANIEL KHONG

EXECUTIVE DIRECTOR, GATEWAY THEATRE AND GATEWAY ENTERTAINMENT

This year, Gateway Entertainment (GE) celebrated its Silver Jubilee. This milestone is especially meaningful to me because it also marks my 25th year with GE. It is hard to believe that 25 years have passed since we began this work, but we continue to serve in humble obedience to God's call for us to be a light in the arts and entertainment industry. While we have come a long way, there is still much ground to cover.

This call takes on a new meaning for me this year as I step into my new appointment as Executive Director of Gateway Entertainment and Gateway Theatre. Together with my concurrent role as Executive Director of Gateway Arts, this new appointment provides a holistic view of how all three entities respond to God's call, and how they can complement each other in doing so. As we look towards the next 25 years, I believe we are entering into a new chapter in this adventure in the arts.

Gateway Entertainment begins this new chapter with an exciting new partnership with Hong Kong media company Television Broadcasts Limited International (TVBI). Through this collaboration, we completed two successful projects in 2025. The partnership will deepen in 2026 with the commencement of our next project, a film titled BYM (表姨妈 or Build Your Memories).

Gateway Theatre is also stepping into a new season as an arts centre for the whole family. In previous years, its programming primarily served children, while Gateway Arts provided programmes for youths. In 2025, Gateway Theatre expanded its offerings to include programmes for seniors, among which its inaugural Sunshine Festival took centrestage. One of its highlights was a musical performed by seniors for seniors. It was a wonderful showcase of their talents and a powerful reminder that the golden years need not be a time for slowing down, but a time to shine.

As we step into this next chapter, we do so with gratitude for the journey behind us and renewed confidence in the path ahead. New opportunities are before us, and we will seize them in the same pioneering spirit as when we first started. We believe that the years to come will bring even greater possibilities, and we will continue blazing this trail towards new horizons, new heights, and new realities.

IN FAITH,
PRISCILLA KHONG

THE YEAR 2025

PREACHING THE GOSPEL

One of the evangelistic services during December.

FCBC continued to live out its mission of preaching the gospel and fulfilling the Great Commission, organising evangelistic celebrations and themed festivities throughout the year for people of all ages, abilities, and walks of life.

Our efforts culminated at the end of the year, as the church came together at Touch Centre to celebrate Christmas with a series of evangelistic services. Over 5 weekends in December, our pastors brought special messages of thanksgiving, joy, peace, hope and love. It was an amazing opportunity to share the true meaning of Christmas with those who may have never heard the Gospel before. Special programmes were also planned for children and persons with special needs to celebrate Christmas and hear about Jesus.

> *The gospel is not just meant to be received; it is meant to be shared. To fully understand the beauty and power of the gospel, it's not just that we are saved, but that we are actively bringing and sharing the gospel to people around us.*
>
> *SENIOR PASTOR DANIEL KHONG*

The core focus of outreach has always been to create opportunities for meaningful connections with people who have never set foot in a church, or those who needed a renewal of faith. By fostering a welcoming environment that encouraged honest conversations, heartfelt support, and spiritual growth, we saw lives transformed and faith deepened in many individuals. We are dedicated to doing God's work where we are planted, and remain hopeful in reaching those who have yet to encounter God in their lives.

LUNAR NEW YEAR REUNION NIGHT

Kicking off the start of a new year, our annual celebration drew 363 guests and saw our Chinese congregation coming together with their loved ones for a wonderful time. The event began with a sumptuous spread for attendees, and was followed by a lively programme with games, fun magic tricks and beautiful performances.

It was a time of joy, fellowship, and unity as our spiritual family celebrated across generations, and culminated in 11 decisions!

EASTER OUTREACH

Good Friday and Easter weekend continues to be a great opportunity for FCBC members to share the Gospel with their pre-believing family and friends. To support their efforts, our ministries organised a variety of age-appropriate and needs-specific evangelistic events. These events were highly interactive and clearly presented the Gospel message using creative concepts that featured mystery, adventure and redemption.

We thank God for our staff, leaders and volunteers who came together to plan these events.

Over 800 children across our services embarked on an epic adventure with GKidz to protect, defend, and restore the imaginary island of Terra Nova. Specially crafted games brought them on unique quests to learn the importance of working as a team to overcome adversity as one. MID-AUTUMN FESTIVAL CELEBRATION

FCBC commemorated the Mid-Autumn Festival with 爱在中秋庆团圆 (Mid-Autumn Reunion of Love), an amazing night of engaging games, nostalgic tunes, and a heartfelt testimony from a church member, whose multi-generational family encountered God in the most powerful way. After an inspiring message on the true meaning of Mid-Autumn: highlighting reunion, gratitude, and God's unending light. The evening concluded on a memorable note, with 18 decisions made.

PARENTS' APPRECIATION BANQUET

This year, our Chinese & Hokkien ministry's Parents' Appreciation Banquet 孝双亲献爱心 was held at Ban Heng Restaurant at Orchid Country Club, and saw 6 wonderful salvations. It was a special, joy-filled evening to honour parents and celebrate family. Amidst nostalgic sing-a-longs and fun table games, children presented gifts to their parents and expressed their gratitude, bringing smiles and even tears to everyone's faces. A multi-generational family then shared a heartfelt testimony of their personal encounter with God, illustrating the power of faith across generations. Pastor Eugene Tan also elaborated on the importance of honouring parents and building strong family foundations, and the evening concluded with a time of worship.

REACHING YOUTHS BEYOND CHURCH WALLS

This year, FCBC was honoured to help organise Youth Fest 2025, LoveSingapore's inaugural outreach event focused on "Winning The Youth". This event was initiated to support the outreach efforts of churches with smaller youth congregations, who may find it challenging to run events of this scale on their own.

Youth Fest 2025 was held on 6 July at Gateway Theatre and drew a total of 1555 people, including 313 visitors; and 86 of them made the decision to receive Christ!

The programme thoughtfully created an atmosphere where youths could connect, reflect, and encounter God in a fresh way. It featured a compelling performance from dance crew LOAH, along with honest and heartfeltn testimonies of Dawson and Pin Jia that highlighted how they discovered God's peace amid struggles with mental and emotional battles. Pastor Daniel then closed the event with a moving sermon about Jesus, the One who calms every storm and brings peace into our troubled hearts. Together, it was a powerful narrative that reminded every youth present that no matter what they are facing, there is unshakeable hope in Christ.

A session of the outreach initiative, Eat Pray Love.

An annual outreach initiative designed to help youths continue their journey of discovering God, Eat Pray Love provides a warm and relational safe space for post-secondary students to understand who Jesus is and how they can walk into a meaningful relationship with Him.

Over the course of 5 to 7 weeks, nearly 300 visitors explored topics of faith and encountered God in a personal way, with 29 recorded decisions!

REACHING THE YOUNG ADULTS

This year, our young adults built strong communities on their campuses for the purpose of furthering God's kingdom. Through initiatives such as XFXZ (Happiness Groups), Alpha film sessions, and festive outreach events, students brought good cheer and shared God's love with their peers.

One key effort, Cheer It On, involved approaching strangers to offer prayers through iBless cards, handing out blessing packs for the semester, and inviting them to events and activities. These ranged from casual pickleball nights to fun barbeque gatherings, to demonstrate God's love to these students and serve their need for community. Some who made decisions for Christ were then connected to FCBC cell groups and church services to support the next steps in their faith journey.

By the end of 2025, Alpha and XFXZ sessions were running across 8 campuses, with each session averaging 47 members and 12 guests each week. It was truly a season of fostering connections, sharing Christ intentionally, and consolidating lives into community.

CHRISTMAS CELEBRATIONS

Over 5 weekends in the festive season, twinkling lights and festive cheer filled the atmosphere at Touch Centre as our congregation gathered as one for evangelistic Christmas services, teaching us about thanksgiving, joy, peace, love, and hope. We saw over 700 first-time visitors, and some were welcomed into our Christmas-themed Visitors' Lounge, where they enjoyed thoughtfully curated refreshments and meaningful connections with our members. We praise God for more than 90 decisions made during this joyous season!

The children also took part in the celebrations, with GKidz' Battle of the Ages: Christmas Edition that featured exciting Christmas-themed games and challenges which put their strength and teamwork to the test. They were encouraged to bring their prebelieving friends and family to join in the festivities and discover the true meaning of Christmas together. We thank God for the 99 visitors who joined us across the four weekends, and we pray that the seeds of the gospel sown will continue to bear fruit.

For our members with special needs, our MINT ministry put on a wonderful Christmas party with the theme Follow The Star. Held over 2 weekends in December, the celebrations were filled with laughter as 236 guests enjoyed star-gazing games, festive snacks, and joyous caroling. Hosting a total of 44 visitors over the two weekends, we give thanks to God for touching the lives of our friends with special needs and their families.

AVERAGE ATTENDANCE AT EACH SESSION

In 2025, we gathered as a big church family for the **FCBC Weekend Special**. This was held over 2 days at the Singapore Expo following the G12 Asia Conference. It was a great time for us to connect and engage one another through heartfelt conversations, interactive stage activities, prayer, and worship.

Throughout the weekend, Senior Pastor Daniel Khong reminded us that FCBC is entering a new season, and encouraged us to set our sails to catch God's fresh winds so we can advance in our mission to reach out and share the gospel. Time was also spent to equip the church with practical and actionable handles for outreach: to Prepare, Connect, Deepen, Bridge, Share and Journey.

Guest speakers included Ps Lee Seung Bang, who used his message to thank FCBC for tremendously blessing his church and urged us to continue persevering in the Vision, and Ps Emma Claudia Castellanos, who challenged the church to expect God's miracles.

The FCBC Weekend Special was the pinnacle of a year that strengthened the spiritual foundation of our members, and equipped them to thrive in different seasons of life.

Ps Lee Seung Bang's message to FCBC was both humble and powerful, urging us not to grow weary after years of investing in overseas missions. He credited his church's growth to FCBC's efforts, reminding us that, despite our own struggles, our prayers and work are part of something much bigger. This message inspired us to continue pressing forward.

KENNETH & JEANIE WONG, PASTORS RICHARD & JENNY ONG'S TEAM

Baptism services continued to be joyful celebrations in FCBC as we welcomed new members into our church. Surrounded by family, friends, and the church community, each member's baptism was not only a public declaration of faith in Jesus, it also marked the beginning of a blessed lifelong commitment to follow Christ and grow in His purpose.

I suffered a massive stroke on 13 June 2025. When my mother was informed, she immediately mobilised a network of friends and family to pray for me.

I later learned that Pastor Lawrence Khong, FCBC's leaders, and friends from many churches were praying for me even though I had not attended FCBC or any church in years. This moved me deeply.

God showed up in the details and arranged every piece down to the surgeon who operated on me, and the unwavering support of my family. I re-dedicated my life to Jesus after attending an FCBC livestream service one Saturday and said the sinner's prayer.

I've come to see that God never left me. He not only restored my life, but gave me a new one. He is a faithful God.

The Encounter Weekend is a significant milestone in the discipleship journey of new believers. Conducted throughout the year in both English or Mandarin, the refreshed format provided participants with greater opportunity to encounter God in a deeper and more personal way and experience renewed freedom with the support of guides. To build a stronger foundation for their walk with Christ, participants are encouraged to build daily habits of prayer, spending quiet time with God, reading His Word, living in obedience to His ways, and to boldly share their faith with others.

Prayer is central to life in FCBC. In 2025, our Weekly Churchwide Prayer Meetings were strengthened through the leadership of rotating Team Pastors. More members responded to the call to intercede and attendance at on-site prayer meetings increased on an average of 50% compared to the previous year.

Our Prayer Ministry also welcomed new volunteers in 2025 who meet weekly to pray before services, with additional prayer support gathered at the nG12 Asia Conference 2025. Beyond prayers for the church and the nations, the ministry has also organised prayer walks to intercede and bless the Marine Parade community, from residents to business owners and visitors to East Coast Park.

Beside learning how to intercede and listen to God, I've also learnt about His heartbeat for specific people groups like the youth and nations and also learnt to pray for the things and burdens that He has placed on my heart beyond just praying for FCBC.

The Introduction to Mental Health Response session conducted in Mandarin.

Through the Cell Leaders' Meeting with Senior Pastor Daniel, Cell Leaders were given practical tools and biblical teaching to strengthen their leadership and help them care more effectively for their members. Apart from key updates on our missional work in the nations, the meeting also shared on the 4W and sermon processing frameworks for cell groups, as well as the importance on building a culture of prayer.

Recognising the importance of mental wellness, the church organised training sessions to equip Cell Leaders and members on how they can respond to individuals with mental health challenges. Conducted in both English and Mandarin, Intro to Mental Health Response sessions provided participants with tips to better understand and recognise people in distress, handles on how they can cultivate safe communities and journey through life's struggles together.

The Overview of the Old Testament series, now in its third run, shared insights on God's redemptive story throughout the Old Testament by connecting the historical events and prophecies that point to the Messiah.

The series Hearing God's Voice, run almost annually since 2020, helped participants explore how they can be sensitive to God's presence, to seek Him and walk with Him, and practise listening to His voice.

A new Mandarin course, The Twelve Minor Prophets, journeyed with participants on the often-overlooked books of the Minor Prophets to discover God's timeless truths about repentance, mercy, and faithfulness.

In June, more than 600 youths, leaders, parent volunteers, and youth ministry staff were in Johor Bahru for Camp Shield. Taking place over 3 days, the camp was packed with interactive activities and faith-building sessions to equip youths to better understand the spiritual realm, discover the purpose of each piece of the Armour of God, and how a steadfast life of prayer empowers them to stand firm in Christ.

The Young Adults Ministry continues to journey and equip our young adults for different seasons of life through intentional discipleship and growing a community of men and women of God who live out their faith wherever they go.

In 2025, the ministry organised a range of events to equip young adults through life transitions and significant milestones. The Young Adults Transition 2025 was held over a weekend in April to equip more than 100 young adults entering university, National Service, or the workforce. Participants engaged in workshops filled with practical wisdom and biblical perspectives on life, the world we live in, and community.

"We shouldn't be afraid or shy due to any doubts or questions we have but we should own it and speak up in order to deepen our understanding and our faith."

Additionally, specific events were also conducted for young adults who were either enlisting, starting university, or entering the workforce. These events were a mix of panel and small group discussions that allowed young adults to interact with seniors and experienced professionals. Cell leaders were also invited to attend so they could gain practical handles on how to disciple their members through life's transitions.

Another YA Night session on engaging differing worldviews through the lens of our Christian faith.

To create safe spaces for honest conversations, the Young Adults Ministry hosted YA Nights, a curated conversation tackling the tough questions asked by many young adults. These evenings provide space for attendees to engage frankly on topics such as God's design for singleness and marriage, and how they navigate truth and tension in modern ethics. This year, the ministry also convened the inaugural MarketAble Connect Healthcare Edition, which brought seasoned healthcare professionals together with new joiners to discuss the issues that healthcare workers face.

"As Christians, it is important to love everyone regardless of their point-of-views, and for me, I need to rethink how I am exemplifying myself as a Christian when it comes to navigating conversations with parties who have conflicting views."

The young adults of our church also had plenty of opportunity to grow as a community in 2025. Many informal events were organised to help the young adult community of our church bond over conversation, exercise and games. A highlight of the year was Camp ReNew, which was held over 3 days in Johor Bahru. Through worship, teaching, prayer, interactive "Faith Labs" and community, many experienced spiritual renewal and returned with a fresh passion to follow Christ, to pray daily and reach out to their pre- believing friends.

Youth Ministry's Family Service.

Recognising that families are the foundation of both society and the church, we celebrated the gift of F.A.M.I.L.Y (Father, Mother, I Love You) at our Youth Service by bringing parents and youths together to connect, worship, and pray in unity. YOUTHS GATHERED AT LOVESINGAPORE'S YOUTH PRAYER GATHERINGS

Youths from LoveSingapore churches gathered in unity at Touch Centre for the Youth Prayer Meeting in March, where Pastor Norman Ng urged the youths to pursue God's presence above all else. Pastor Derek Hong challenged them to carry their faith boldly into the future, passing it on to the generations after them and standing firm through every season of life.

In June, the youths came together again to intercede for Youth Festival 2025. Pastor Zac Zhang drew inspiration from the life of missionary David Livingstone, calling the youths to be strong and courageous in living out God's Word. Pastor Daniel also encouraged the youths to be faithful friends; like the four who persevered in bringing the paralysed man to Jesus, overcoming every obstacle to lead others into an encounter with Christ.

G12 Asia Conference 2025 held at the Singapore EXPO in August.

SERVING THE NATIONS

In 2025, FCBC carried on its legacy of serving the nations by hosting the **G12 Asia Conference** in August. Delegates across Asia gathered at the Singapore EXPO to receive a fresh impartation of faith, with conference speakers including Pastors Cesar and Emma Claudia Castellanos, Pastors Laudjair and Sara Guerra, Bishop Oriel Ballano, Pastor Lee Seung Bang, Apostle Lawrence Khong and Senior Pastor Daniel Khong.

Ps Daniel Khong set the stage by expounding on the conference theme, Legacy, inviting delegates to take a seat at Jesus' table. He emphasised that individual status, whether reflected in one's title, position, or even the type of chair one occupied, was of little importance compared to the greater call of building God's Kingdom and claiming the spiritual inheritance He has for us.

This year's conference also included Strategic Partner and Special Guest Lunches, where senior pastors across Asia discussed how they could collaborate and strengthen the G12 Vision in their nations. These lunches provided an opportunity for Pastors Cesar and Emma Claudia to minister to these senior leaders and receive first-hand reports of how churches are implementing the Vision in their nation.

Another key highlight during the conference was the International Worship Night. Worship leaders from different countries joined the stage, singing in their native tongue and in other Asian languages. That night offered each delegate a glimpse of what heaven could be like, where every tribe and tongue would be joined together in worship, unified in praise and honour to the King of Kings.

Whether hosting overseas delegates, ushering attendees, selling merchandise, interpreting tirelessly, serving onstage or behind the scenes, or ensuring our VIPs were well looked after...every staff member and volunteer played a vital role and contributed faithfully to the success of the conference.

LARGEST OVERSEAS DELEGATION —— **THE PHILIPPINES (1,837)**

"I was so happy to see many believers from many different countries. I can see their enthusiasm and how they worship so happily. In the midst of this, I dream that Timor Leste will also have the same enthusiasm to worship the Lord. As a young person myself, I feel a responsibility to reach the young people. I really want to see them transform into a new generation that is hungry for the Lord's move."

SARAH MARIQUITA DE JESUS, FCBC TIMOR LESTE, TIMOR LESTE

"It's all about being at God's table, don't worry about the chairs... That's what really touched me, that status is not important, stature is. Because Jesus is with the table, big or small chairs don't matter – even children are part of the table. We may have chairs based on different talents and gifts, but it's given by God who's on the throne."

REV. DR. SHAJI THANKARA, THE FAITH GLOBAL, INDIA

FCBC team in Bogotá, Colombia, for the G12 International Conference in January 2025.

In early 2025, FCBC sent a delegation of 24 staff and leaders to Bogotá, Colombia to join the global G12 family at the annual G12 International Conference.

It was a powerful and impactful gathering, centred on the theme "Legacy." The message underscored that our legacy includes God's special inheritance prepared for us; within reach, yet dependent on our personal response of full obedience and faith in Him.

This message on legacy was embodied through Pastors César and Emma Claudia, together with their children and grandchildren, who preached, taught workshops, led worship, prayed for the younger generation, and shared about their lives with the delegates.

The G12 International Conference reflected the heartbeat of the G12 Vision by returning to biblical fundamentals, demonstrating how priestly families love and serve together for God's glory, and focusing on restoring lives, strengthening families, and raising faithful workers for His harvest throughout the nations.

To support Senior Pastor Trung and Deputy Senior Pastor Hiue in their church's transition to the G12 Vision, Pastors Roland and Lai Fun paid a visit to the 2000-member Blessing Church in Hanoi, Vietnam in September. Having been to three previous G12 Asia Conferences, Pastor Hiue had a strong conviction to raise G12 leaders and disciples, even sending 20 leaders attending the 2025 conference.

After learning the fundamentals of "4Ws" and how to navigate common discipleship challenges from Pastors Roland and Lai Fun, these leaders caught the G12 heartbeat and began making intentional efforts to reach the younger generation. As they ran open cells, many experienced healing, and many souls were won to Christ. One leader even knocked down a wall in her home to make space for open cell meetings! As these leaders continue to serve faithfully, we look forward to seeing God do even greater things through their lives and ministries.

Pastor Daniel and Pastor Lawrence speaking at the Philippines National Conference 2025.

In late October, the Philippines National Conference 2025; hosted at the World Trade Center in Pasay City, Manila, gathered over 9,000 church pastors, leaders, and members. Apostle Lawrence and Senior Pastor Daniel were key speakers and exhorted delegates to focus intently on evangelism and yield fully to God, following Christ's example to build a godly legacy and claim their divine inheritance.

Following the conference, Apostle Lawrence spoke to the congregation at Bishop Oriel and Pastor Geraldine's Doulos For Christ World Harvest Church, passionately calling the church to guard their first love and hold fast to the mission that God has given them. Pastor Daniel also preached at Pastors Jun and Carla De Castro's Bless The City Church Antipolo. His powerful message about God's immense faithfulness, love, and commitment led many people, especially the younger ones, to respond by receiving Christ or re-dedicating their lives to Him. Praise God!

Mission teams in FCBC Dili, Timor-Leste, to support outreach events and cell groups.

2025 was also a significant year for our church planting efforts, with several teams from Singapore sent to our church plants in Japan and Timor-Leste.

For the first time since the COVID-19 pandemic, we deployed two long-term missionaries, Travis Loh and Cynthia Ho, to Timor-Leste after a year of preparation, which included learning basic Tetum, the national anguage.

There were also two trips to Timor-Leste this year involving a total of 19 staff members and 18 volunteers. The first trip served to better understand the ministry on the ground, explore opportunities and learn about the needs of the people. The trip also included visits to various churches and ministries in Dili, and opportunities for the team to support in the running of our Children Club and cell group activities.

The second trip consisted of youths from FCBC Singapore, who gained a deeper understanding and appreciation of our work in Timor-Leste. They also got involved in some of FCBC Timor's outreach initiatives such as Microlet Adventure and iBless, with the latter resulting in 23 salvations! Their annual Easter outreach, Egg Hunt, was also held on 20 April, drawing 31 visitors and leading to 8 lives given to Christ.

"I had the joy of meeting with so many amazing locals and heard about their journeys with God. At St. Paul Methodist School, we interacted with the hostel students and one friend shared about his family's background and I managed to pray for his math test that day. Through Principal Mr Chan's sharing, I also witnessed how even the smallest steps of faith could lead to something great."

In Japan, several students from FCBC Singapore spent their summer serving alongside FCBC Sendai members, reaching local university students and witnessing hearts softened toward God over the span of two trips. The first one focused on going wide, drawing 37 Japanese students through thematic events like Escape Room and Squid Game. This foundation paved the way for the second trip, which emphasised going deeper with these connections, through a Cultural Games Night that saw 16 guests. The team decided to launch Alpha sessions to journey personally with some of these contacts. What began as a 3-day Alpha course also evolved into a 5-day series, as guests became increasingly open and eager to learn more about God. We believe that the seeds planted will take root as we continue to pray for a mighty harvest.

FCBC Sendai members also found creative ways to connect with prebelievers in their city. Some of these include gospel choir classes, sessions to practise conversing in English, and even tea parties for ladies. Through such outreach initiatives in 2025, 20 visitors came and two ladies made decisions to follow Christ, with one of them even getting baptised.

In Yokohama, our missionary Charlotte Ying and others from Youth With A Mission (YWAM) visit Meiji Gakuin Yokohama regularly to befriend the university students there. Charlotte is also occasionally invited to share devotionals at their chapel service, as well as participate in their Bible study group, deepening fellowship and strengthening these connections.

Our members in FCBC Nagoya regularly reach out to the homeless in Sakae Park by participating in food distribution and Bible study sessions. Through their efforts, four individuals have made the decision to follow Jesus, be a part of our church, and are now off the streets. We praise God for a new member, Oba-san, who was baptised in 2025, and look forward to many more!

JAPANESE HOME MISSION

In Japan, the Mid-Autumn Festival is known as Tsukimi, or the Moon-Viewing Festival. Together with local outreach ministry Japanese Home Missions, FCBC organised a Mid-Autumn picnic for our Japanese friends who reside in Singapore. Amidst Japanese-English conversations and games, they enjoyed a Singapore-style picnic at Marina Barrage with local favourites such as satay and popiah, and had fun with LED lanterns while enjoying the night view in Gardens By The Bay.

The Mid-Autumn event drew 15 Japanese adults and seven children, together with 11 FCBC members, for a meaningful time of celebrating family and building friendships.

Through the Missions Faith Pledge, FCBC was able to bless churches and ministries in Asia and beyond. One such church was Faith Assembly of God Church in Kolkata, India. On 3 December 2024, the church received the news that a devastating fire had destroyed their worship venue. They had just moved in 6 months prior, and had spent an additional 9 months to prepare the place for their use.

Through the Mission Faith Pledge, we were able to provide financial support in their recovery work, which including repairs and restoration work, rental and staff salaries for six months during the challenging period.

This support allowed them to carry out the necessary works, which led to the church joyfully holding its inauguration service on Easter Day, 20 April 2025! Pastor Shaji expressed profound gratitude to Pastor Daniel and FCBC for the unwavering support and love shown to him, his family, and the entire church.

FCBC also supports World Outreach Singapore in mobilising the Church in Singapore for missions and strengthening its operations across the Asia-Pacific, with a key focus on Rahab Ministries, which is dedicated to supporting women and children affected by prostitution and the sex trade in Thailand. The ministry's mission is to demonstrate God's love and provide practical alternatives to the red light industry.

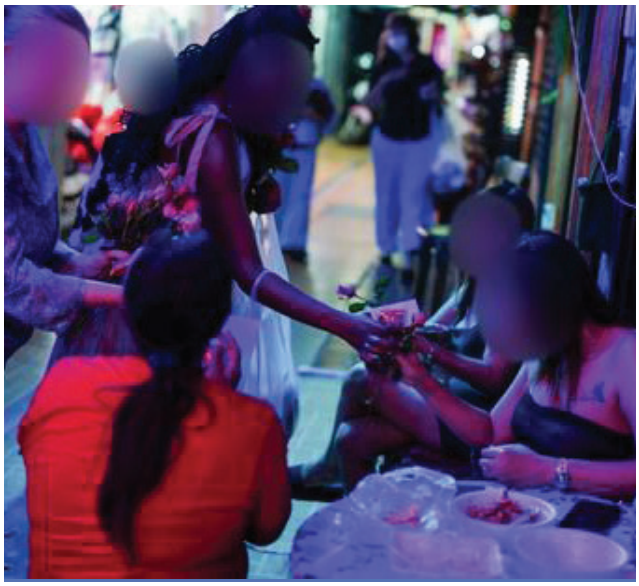

Through bar outreach, discipleship, English classes, and vocational training programs like jewellery-making, sewing, and the Rahab Beauty Salon, they equip women with essential skills that facilitate their transition into safer employment, helping them to rebuild their lives. A new initiative this year aimed to establish a consistent presence by distributing small gifts, typically roses, with cards sharing God's love. Delivered on Valentine's Day, Easter, Thai Mother's Day, and Christmas, these gestures serve to consistently remind the women that they are seen, loved, and never alone.

Over the years, Rahab Ministries has helped many women leave prostitution, experience healing, and discover hope in Christ. Its longstanding presence in one of Bangkok's most challenging areas continues to bring transformation to individuals, families, and communities.

This year, FCBC nearly tripled its giving to The Salvation Army (TSA) Sojourn Care Centre. This increased support goes towards mitigating rental, manpower, and operation costs. TSA's Sojourn Care Centre ministers to migrant workers in Singapore through skills training, emotional support, meals and recreational activities.

A substantial part of its mission is helping injured and distressed migrant workers. The Sojourn Care Centre offers bundled Physiotherapy, Occupational Therapy, and Traditional Chinese Medicine services, fostering long-term relationships and encouraging consistent rehabilitation.

Its broader mission is to empower workers, improve their quality of life, and foster stronger integration with local communities. Through counselling, language and computer classes, and practical assistance like access to medical and rehabilitative care, the centre helps workers overcome isolation, recuperate, and build resilience. By combining practical aid for injured workers with community-building initiatives, the Sojourn Care Centre provides holistic care that uplifts migrant workers and strengthens social bonds in Singapore.

Partnership was a central focus for Gateway Entertainment (GE) and Gateway Theatre (GT) in 2025, enabling both entities to expand their offerings and present meaningful high-quality productions to more audience segments.

In May, GE celebrated 25 years of inspiring hope through the arts with a commemorative event at GT.

A key milestone at the event was the signing of a Memorandum of Understanding with Hong Kong's Television Broadcasts Limited International. This strategic collaboration led to a co-production for the fourth season of TVB's music competition "Midlife, Sing & Shine! (**中年好声音**)", and live concert events featuring past show contestants.

At the celebration, GE's newly-appointed Executive Director Priscilla Khong unveiled plans for BYM (**表姨妈** or Build Your Memories), an upcoming feature film addressing the impact of dementia on patients and families. Production is slated to begin in 2026

In 2026, GT will continue to grow as an accessible, welcoming space for audiences of all ages and abilities.

Through volunteering, I have come to understand more clearly why God cares deeply for prisoners. I now see them not through their past mistakes, but as people who are in need of hope, healing, and spiritual support. Serving them has helped me realise that reaching out to those in need is not only an act of love, but also a spiritual responsibility.

FAMILY LIFE INITIATIVES

During the Christmas season, FCBC's Family Circle volunteers served 20 families affected by incarceration through the delivery of handwritten letters from inmates to their loved ones, along with grocery vouchers as a tangible expression of God's love. Supported by Prison Fellowship Singapore's 70x7 fund, Angel Tree Letters embodied a journey of reconciliation; restoring relationships, affirming their dignity amid pain, and bringing hope to families affected by separation, caregiving or welfare challenges. Guided by the biblical call to live out the ministry of reconciliation, our volunteers demonstrated Christ's love through simple acts of care, showing that even letters, smiles, and a compassionate presence can bring hope and healing.

In December, Family Circle also hosted a Christmas celebration with the theme, "The Light Has Come". A total of 55 guests attended, including 10 family members and friends of formerly incarcerated persons. The evening was marked by warm fellowship over dinner, an encouraging message by Pastor Jason Tan, and powerful testimonies that pointed to God's restoring grace.

Praise God for the work that He continues to do through Family Circle , which hosts monthly support sessions for releasees and residents from halfway houses. These regular gatherings provide a safe community to support their reintegration into society with dignity, resilience and hope.

FCBC staff and members volunteering at Beyond the Label Fest 2025.

As part of FCBC's commitment to bless the community, our Family Life Ministry mobilised volunteers to serve at two key community engagements this year.

The first was Beyond The Label Fest 2025, a national movement organised by TOUCH Community Services and the National Council of Social Service (NCSS), held at Plaza Singapura from 12 to 13 September. Through interactive experiences, workshops and partner showcases, our volunteers helped raise awareness about mental health and how to foster psychologically safe workplaces.

The ministry also supported Gateway Arts' production of Third Man Syndrome, a powerful theatre piece that addresses suicide, grief, and unspoken emotional struggles. Our volunteers served in a variety of roles, reflecting our commitment to serving the community with compassion and hope. Their roles included ushering, guiding participants through interactive stations, recommending support resources, and befriending patrons while looking out for those who appeared distressed. Each performance concluded with a post-show discussion facilitated by Samaritans of Singapore (SOS). These community engagements reflect our heart to serve beyond the walls of the church, bringing Christ's love, compassion and hope to those in need.
