

J IS FOR JERICHO

Follow Up Family Activities for Toddlers & Pre-Schoolers

YES GOD! RIGHT AWAY GOD!

The Israelites obeyed God and they obeyed Him immediately! Talk to your child about a time that it's hard for them to obey, and then pray.

PRAISE PARADE

Use your imaginary trumpet to praise God! Blow on your trumpet every time you praise God this week!

FALLING WALLS

Build a wall of blocks with your child and march around it seven times. Then let your child knock it over! Remember that God helped His people by knocking down walls and God will help you too! Pray together about one area that they need God's help with right now.
