HELPING HANDS

God created our hands to help and care for others. With your child, discuss what are a few ways that everyone could care for others in the family and help out at home! For example, your child could be caring by helping in simple household chores at home.

I JUST CALLED TO SAY "I LOVE YOU"

Think of a relative or friend whom your family has not seen in a while. Give them a call to let them know that you are thinking of them, and that you love them. You could even pray for them over the phone!

KIND WORDS IN A CARD

Make a card to encourage a neighbour staying near you and leave the card in their mailbox!

In your own family time, say a prayer for your neighbours and other families in your neighborhood too.
