2. Latest Fashion In Paris

Gather as a group to play a code-breaking game. The goal is to guess a hidden code by describing the attire of the next person in line. Successful guesses allow progression, while those unable to break the code keep playing until they receive the clue. It's crucial not to reveal the clue.

To start, the leader claims that the latest fashion in Paris involves wearing glasses and describes the glasses-wearer's attire. Those familiar with the game confirm the claim. The person with glasses then describes the next person's attire, and the cycle continues. Incorrect descriptions are met with a "Wrong, that's not the latest fashion in Paris" response. Repeat until everyone deciphers the code.

WORSHIP (20 minutes)

(Encourage members to allow the Holy Spirit to minister through them by sharing words, visions, tongues and interpretations of tongues.)

Suggested worship songs:

- 1) Happy Day
- 2) I Give You My Heart

WORD (45 minutes)

Preacher: Rev. Roland Lee

Scripture Passage: Ephesians 3:19-21

Sermon Title: More

Introduction

As believers, it is essential for us to desire and fervently pray for “More Lord!” “This prayer should be a consistent part of our lives. Through Christ, we can all have more of God’s mighty power working through us to bring God’s blessings to others.

3 reasons why we must pursue to do more of God in this New Year:

1. We are Made for God’s Glory
2. We are Made for Good Works
3. We are Made for Greater Things

Discovery and Understanding Questions:

Q1. What does it mean when we say we are made for God’s glory?

A1: Being made for God’s glory implies that our existence is intended to fulfill the purpose for which God created us. This purpose revolves around being a blessing to others rather than merely seeking blessings for ourselves. The ultimate and most significant way we can fulfill this purpose is by sharing the gospel with others.

Q2. How does the mighty power of God empower us to do good works and accomplish even greater things for Him?

A2. Every believer is uniquely gifted by God for good works through the power of Holy Spirit, shaped by S.H.A.P.E.:

Spiritual Gifts: Given to us by the Holy Spirit to minister to others.

Hearth: Godly ambitions, dreams, passions, and what you care deeply about.

Abilities: Natural talents.

Personality: Our unique thought patterns, feelings, and behaviors that distinguish us from others.

Experiences – Life lessons that help us mature, whether good or painful.

Application Questions

Break into smaller groups, share, pray and minister to one another.

Q1. Share how you have been blessed by your fellow brothers and sisters in Christ.

Q2. Share the changes you need to make in your prayers to God so that you can be used by Him for His glory.

WORKS (15 minutes)

Focus on *edification, equipping and evangelism*.

1. **Build on the momentum of all your outreach efforts** - continue praying for your pre-believing friends and family, connect with them, and invite them to your Cell and our Weekend Services.
2. **Consolidation of new believers** – Diligently pray for and reach out to your friends and family who have decided to receive Jesus as their Lord and Saviour, guiding and helping them grow in the faith.
