Cut one piece of white paper into 4 strips. Each child takes 2 strips of paper. Fold and cut a “tombstone” shape out of each strip of paper with the bottom on the fold. Cut a slit in each tombstone on the folded edge. Make the slit slightly longer than the width of the second piece of paper. Begin weaving the 2 tombstone-shaped pieces together to form a heart. Refer to diagram below for help. After completing step 5(see diagram), paste the white sticker label onto the weaved heart(see arrow). Write your name on the label.
