

# Q is for Queen

## Be Bold! You know the King!

We know God, the King of Kings and we can be bold to ask Him for help or for what we need. As a family, decorate a chair at home to look like a throne. Play some worship music in the background and kneel in prayer as if you are meeting with King Jesus. Then pray boldly to ask King Jesus for what you need! For example, "King Jesus, I ask for healing for my asthma in Your mighty name! Heal me Jesus!"

## Be Brave! The King is with you!

Children, this week, do something new that needs you to be brave. It could be going across the monkey bars at the playground, sleeping in your room by yourself at night, or eat spinach for the first time!

Remember that God is with you and will help you to be brave! Your mummy and daddy are also there with you for back up to help you out! You can do it!
